PROCEEDINGS

Motion for Settlement - Oral Argument Held.

Case Management Conference - Not Held.

RESULT OF HEARING

The Court advised the parties that it will not approve a settlement that gives an enhancement to the lead plaintiff or that sets aside 30% of the settlement amount for attorneys' fees and costs, and on that basis denied the motion from the bench. If the parties submit a revised motion without the enhancement for lead plaintiff and with a reduced amount for attorneys' fees and costs, the Court will take the revised motion under submission without oral argument and issue an order.
